CHIEF CLERK'S OFFICE

PETITION FOR EMERGENCY
AND EXPEDITED RELIEF

Chicago Fiber Optic Corporation d/b/a Metropolitan Fiber Systems of Chicago, Inc.

("MFS"), by and through one of its attorneys, hereby petitions the Illinois Commerce Commission ("Commission") to grant to it the emergency relief requested herein. In support of this petition, MFS states as follows:

1. As a telecommunications carrier subject to the jurisdiction of the Commission, MFS is required to file with the Commission annual reports. MFS is prepared to file the requisite annual reports with the Commission once this petition for proprietary treatment is granted.

2. Due to the content and nature of the filing, MFS' annual reports will necessarily contain commerce and financial information that is highly sensitive, proprietary, confidential and the type of information which would be of particular interest to MFS' competitors and potential competitors.

3. Because the information that will be contained in MFS' annual reports are so competitively sensitive, it is imperative that public disclosure of the proprietary information that will be contained in its annual report be maintained under seal for a period not less than five

years following the issuance of an Order herein by this Commission, since disclosure of this information any earlier would be likely to cause MFS serious competitive harm.

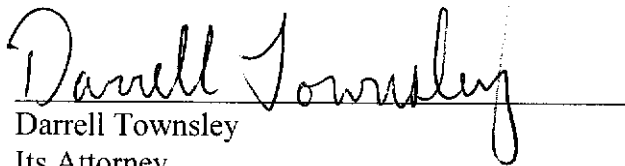

4. Section 7 of the Illinois Freedom of Information Act, 5 ILCS 140/7 (g) (1994) exempts from public disclosure "trade secrets and commercial or financial information . . . where such trade secrets or information are proprietary, privileged or confidential." The annual report that is the subject of this Petition falls within this exemption.

WHEREFORE, Chicago Fiber Optic Corporation d/b/a MFS of Chicago respectfully requests that the Commission issue an expedited Order protecting from disclosure in their entirety for a period of not less than five years MFS' 2000 annual reports.

Respectfully submitted,

Chicago Fiber Optic Corporation
d/b/a Metropolitan Fiber Systems of Chicago, Inc.
